Lesson 2 - God

The Trinity

The word *Trinity* means *three in one*. The word *Trinity* is not found in the Bible but is a word that is used to express a teaching of the Bible. God is one God. Yet He has expressed Himself to us as three separate persons, the Father, the Son and the Holy Spirit. An earthly example of this might be water. Water can be in the form of a liquid, a solid or a vapor. Whether it is water, ice or steam, it is all still water. Fill in the following blanks.
