Lesson 6 - Heaven and Hell

In the Bible *heaven* and *hell* are spoken of as real places. Heaven is the place where God's throne is, where angels serve him, and where the saved go at death. Hell is a place of torment and is the place the unsaved go at death.

Hades and the Lake of Fire

The word *hell* actually describes two places. One is *hades*, the place where the unsaved go immediately at death. The other is called the *lake of fire* and is the place where the unsaved will be during eternity. The first, *hades*, is like a jail where a person accused of a crime is kept until his trial. The second, the *lake of fire*, is like a prison where he is sent after his trial.

The unsaved go to hell at	t death.

The unsaved will be cast	into the lake of f	fire.
